Conway is a very beautiful city and within driving distance from Myrtle Beach. I was planning to move somewhere near the coast, and CCU was the perfect choice for that. It has one of the largest marine science programs on the East Coast with the most experienced faculty. The weather is perfect for my graduate studies in marine and atmospheric science.

DEGREE IN THREE/
GET MORE IN FOUR

The Degree in Three program can help shorten the amount of time a student spends in an undergraduate program. Through access to early registration for classes with smaller class sizes, a student can track and plan progress while maintaining academic success and completing a bachelor's degree in just three years. There is also the potential to earn a $5,000 Trustee Award upon completion.

Get More in Four is a combined program in which students will complete the bachelor's Degree in Three and a one-year Master's program.
All undergraduate applicants must submit a $45 application fee. Payments may be made by credit card (Visa, MasterCard or Discover), check or money order made payable to Coastal Carolina University.

CONDITIONAL ADMISSION
CCU offers conditional admission to undergraduate and graduate students who meet academic coursework requirements but need English language training.

Additionally, students who have met all of the requirements for graduation from their secondary school but will not have official graduate certificates for another year can apply for conditional admission. Official graduate documents and ELS completion certificates should be submitted after enrollment at ELS and prior to admission at Coastal Carolina University.

✓ FOR CONDITIONAL ADMISSION:
Check “Yes” for the question: “Are you requesting a Conditional Letter of Admission?” Then apply to study the English for Academic Purposes (EAP) Program at the ELS/Myrtle Beach center located on the campus of Coastal Carolina University.

Visit [www.coastal.edu/admissions/international/conditionaladmission](http://www.coastal.edu/admissions/international/conditionaladmission) for more information.

BENEFITS of completing your conditional admission requirements at ELS Myrtle Beach:

- Automatic admission to Coastal Carolina University after successful completion of ELS EAP Level 110 for undergraduate or ELS EAP Level 112 for graduate.

- Access to CCU facilities including campus residential housing, the library, and all recreational and sports facilities and events while in ELS.

- No additional application fee or English proficiency test scores required for admission to Coastal Carolina University.

- Undergraduate scholarship awards for students attending at least three consecutive ELS sessions with excellent results.

GET INVOLVED

While all students are a part of #TEALnation, they are also individuals who hail from almost every state across the U.S. and several countries around the world. With more than 180 student clubs and organizations to join, there is no shortage of ways for students to get involved or create opportunities in areas that interest them most. The Office of Campus Life and Student Engagement is the gateway for involvement opportunities, leadership development and exciting entertainment.

Students can check out a musical, go to a movie or play video games in the Lib Jackson Student Union. Go rock climbing or work out at the HTC Center. Grab a coffee between classes at Starbucks, or catch up on the latest events with the “54 Calendar” or WCCU, the University’s student-run radio station.

But this is just the beginning of what Coastal Carolina University has to offer. No matter what you like or where you are from, once you become part of #TEALnation, it becomes a part of you.

The Coastal Carolina Chanticleers Baseball team won the 2016 NCAA College World Series. The football team has moved up to the competitive Sun Belt Conference and play at Brooks Stadium every fall. Students can play and watch basketball and volleyball games at the HTC Center, or enjoy other NCAA Division I teams, including soccer, tennis and lacrosse. Students can form their own teams within intramural sports from rugby to field hockey to surfing. Coastal even has its own rock-climbing wall and a disc golf course.

**MEN'S:** Baseball, Basketball, Football, Golf, Soccer, Tennis, Track & Field, Cross Country

**WOMEN'S:** Basketball, Beach Volleyball, Golf, Lacrosse, Soccer, Softball, Tennis, Track & Field, Cross Country, Volleyball

Living on campus is one of the most significant experiences students will have at Coastal Carolina University.

The campus serves as the foundation for personal development, which is why it’s so important for students to feel comfortable and welcome here. Students who live on campus enjoy safe, convenient and affordable housing, which includes all utilities, free laundry services, high-definition cable television, and high-speed internet access in every room. Our Community Center provides mail service, vending machines and a networked computer lab. By choosing on campus residential housing, students will join a community to expand their learning experience beyond the classroom.

“Living on campus was an adjustment for me, but after a while, I realized that it was nice to have someone to talk to whenever I needed help. Also, by living on campus you are not that far from your classes or places to eat, which can be a good thing.”
